Upgrading the Pacific Highway

Iluka Road to Woodburn

Preferred concept design display

The NSW Roads and Traffic Authority (RTA) is continuing with investigations to upgrade the Pacific Highway to a dual carriageway standard from Iluka Road to Woodburn.

The preferred concept design is now on display for community comment. The design includes modifications to the concept design in response to issues raised by the community and key stakeholders.

Information is available in the July 2008 community update and the Iluka Road to Woodburn Preferred Concept Design Report. Copies are available on the project website or by contacting the project information line (see details below).

The preferred concept design is on display until Friday 29 August 2008.
